Overall Dimensions (in)	35.8 x 20.5 x 2.4	44.6 x 25.7 x 2.4	51.5 x 29.8 x 2.4	66.6 x 38.1 x 2.4	76.6 x 44.0 x 3.9	86.9 x 49.6 x 3.9
Overall Dimensions (mm)	910 x 520 x 60	1132 x 652 x 60	1307 x 758 x 60	1691 x 967 x 60	1945 x 1117 x 100	2208 x 1260 x 100
VESA Bracket	200 x 200	400 x 400	400 x 400	600 x 500	600 x 400	800 x 400
Standard Included	1x TV unit, 1x rain/sun cap, 2x audio streamers, 1x power supply, 1x 20 ft power cable, 1x remote control with holder, maintenance kit.					
Cover (optional)	Dual-layer, waterproof nylon and 3mm neoprene.					

Cosmos Marine TV Comparison Table

Cosmos Marine TV		Other TV
Powered by low 24V, Cosmos Marine TV is safe to use outdoors.		110 to 240V on wet grass or near a pool can be dangerous.
Equipped with high-quality speakers & additional tweeters, Cosmos Marine TV has impressive audio.		Check with vendor if the speakers are included and if there are tweeters installed. It makes a big difference.
Patented audio streamers are very efficient and direct the audio towards you.		No, sound is spread out which reduces the audio performance and quality.
Patented weather cap protects Cosmos Marine TV from audio towards you. the rain, snow, leaves and small animals which makes Cosmos the ultimate TV for outdoors.		No, not available.
All Cosmos Marine TVs come standard equipped with a fully automated heating and cooling system. Wherever you want to use Cosmos, it's ready.		No, only on the higher priced models, and often there is no heater installed that keeps the moisture out in the winter.
Cosmos Marine TV has often been recognized as the best design for Outdoor TVs.		3" or more (for system with temperature control system).
Cosmos Marine TV has a Stainless Steel (S316) case and this makes the TV very strong, durable, and well protected.		No aluminum housing.
With a bezel of only 0.6", Cosmos is the most versatile looking outdoor TV.		1" or 2" bezels give the TV an industrial, old fashioned look.

Cosmos Marine TV

Other TV

Comes standard equipped with real 4K resolution supporting the latest available Android version (may vary per market).		Not included, or with a dongle that does not support 4K, or not equipped with sufficient processing speed for great performance.
Update your Cosmos Marine TV with the latest technology. Simply replace the Set-Top Box and your Cosmos is as new again.		No. Integrated Smart TV system makes your TV old after a few years when better technology is available.
Cosmos Marine TV offers high quality and beautifully made Neoprene covers in many styles. Also available in Sunbrella fabric.		No, usually a simple cover that does not really protect.
Cosmos Marine TV comes standard with 20ft power cable and ready to use when it arrives.		Usually comes with a 5ft / 1.5 meter power cable and might need to buy extra power cable.
Complete your Marine TV experience with our outdoor audio systems.		No, not available.
Comes standard with a remote control with built-in keyboard. Great for navigating the Smart TV applications.		No, and difficult to use the Smart TV applications.
Cosmos Marine TV has a wide-angle infrared receiver that separates it from regular indoor TVs.		No, you need to stay in front of the TV to use the remote control.
Cosmos Marine TV offers many high-quality mounts to choose from. Extra stable to secure your Cosmos TV against wind, rain, animals.		No, usually residential quality brackets made of regular steel that can rust.

Light Brightness Sensor

Our innovative light sensor system ensures that the television's brightness is perfectly optimized at all times. When daylight fades and darkness sets in, the light sensor detects the change and promptly dims the screen, providing a comfortable viewing experience without straining your eyes. This not only enhances your overall enjoyment but also contributes to significant energy savings of up to 65%.

Gaming Console Compatibility

For the gaming enthusiasts out there, you'll be thrilled to know that your Cosmos Marine TV is fully compatible with Xbox and PlayStation gaming consoles. Whether you're cruising through the Mediterranean or anchored off a Caribbean island, you can immerse yourself in your favorite games with unparalleled picture quality. Our TV provides the ultimate gaming experience, enabling vibrant graphics, smooth gameplay, and rapid response times.

PERMANENT FLOOR MOUNT

DETAILS

- Available for all Cosmos Marine TV sizes.
- Completely made of stainless steel (S316)
- Power Cable insert from the bottom or the side.
- Very stable, rustproof, no maintenance required.

FEATURES

Stainless Steel

Cosmos Marine TV is made of high-grade Stainless S316. Very durable, indestructible, easy to maintain.

Cable Management

The power cable and (if used) HDMI cable are inside the tubes, and well protected against weather, animals, etc.

Stability

Cosmos Marine TVs are exposed to extreme conditions (wind, rain, snow, animals) and it's very important to mount the TV well, and this can only be achieved with specifically designed mounts and brackets.

VESA Compatible

Cosmos Marine TV brackets and mounts are VESA compatible and therefore suitable for all TVs.
